41. ZAGREB SALON MEĐUNARODNA IZLOŽBA FOTOGRAFIJA (1910. - 2024.)

RIJEČ PREDSJEDNIKA SALONA

Fotoklub Zagreb ima dugu i respektabilnu prošlost koja se proteže kroz tri stoljeća (osnovan je 1892.). U tom dugom razdoblju, kroz klub su prošle generacije poznatih fotografa, ostvarena je suradnja s mnogim foto klubovima diljem svijeta, organizirane su brojne izložbe u klubu, Hrvatskoj i inozemstvu, a najznačajnija među njima svakako je „Zagreb salon”, međunarodna izložba fotografija. Prvu međunarodnu izložbu Fotoklub Zagreb organizirao je 1910. i od tada do danas održana je u Zagrebu 41 međunarodna izložba koja od 1962. nosi naziv "Zagreb salon". Ona je s godinama prerasla u najveću međunarodnu bienalnu smotru fotografije u Hrvatskoj na kojoj svojim radovima sudjeluju poznati svjetski i domaći majstori fotografске umjetnosti različitih estetskih poimanja i tehnika, raznovrsnih stilova i tendencija koji vladaju u suvremenoj međunarodnoj fotografiji.

U nastojanju da se salon učini što privlačnijim i zanimljivijim, uz standardne teme Slobodna u boji i Slobodna monokromatska, organizator nudi autorima nove teme kao izazov u kojem mogu još dodatno iskazati svoje afinitete i specijalnosti. Na ovogodišnjem salonu nove su teme: Crveno i crno, Most i Magla. Čini se da je ovaj izbor tema bio dobro pogoden jer se na natječaj javilo 478 autora iz 48 zemalja sa ukupno 7559 fotografija. Ako se uzme u obzir da će se pod pokroviteljstvom FIAP-a ove godine održati blizu 700 natječaja/salona ove su brojke zaista imponantne. No, osim novih i uvijek zanimljivih tema, Zagreb salon je među rijetkim salonima u svijetu koji nakon natječaja, organizira izložbu printanih fotografija svih nagrađenih radova i dodjelu nagrada nagrađenim autorima u jednoj od kulturnih institucija u gradu. Izložba 41. Zagreb salona ove će se godine održati u Nacionalnoj i sveučilišnoj knjižnici u Zagrebu. Uz izložbu, obavezno ide i kvalitetan tiskani katalog na stotinjak stranica u kojemu su predstavljene sve nagrađene fotografije te sveukupna statistika salona.

Zahvaljujemo se žiriju na uspješno obavljenom poslu, a nagrađenim autorima od srca čestitamo na osvojenim nagradama. Pozivamo fotografе diljem svijeta da se odazovu pozivu na sljedeći 42. Zagreb salon 2026.!

**41st ZAGREB SALON
INTERNATIONAL EXHIBITION OF PHOTOGRAPHY
(1910 - 2024)**

A WORD FROM THE ZAGREB SALON CHAIRMAN

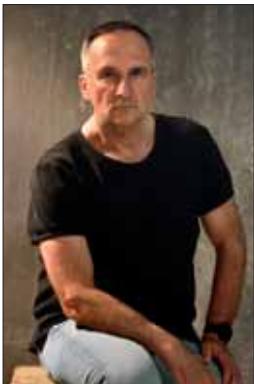

Fotoklub Zagreb has a long and respectable history spanning three centuries (founded in 1892). Over the years, generations of famous photographers have passed through the club. Cooperation has been achieved with many photo clubs around the world, numerous exhibitions have been organized in the club, in Croatia and abroad. The most significant among them is undoubtedly "Zagreb Salon", an international photography exhibition. The first international exhibition was organized by the Zagreb Photo Club in 1910. Since then, 41 international exhibitions have been held in Zagreb, which since 1962 bear the name "Zagreb Salon". Over the years, it has grown into the largest international biennial photography exhibition in Croatia, gathering world-famous and domestic masters of photographic art, bringing different aesthetic concepts and techniques, as well as various styles and tendencies prevalent in contemporary international photography.

Aiming to make the salon as attractive and interesting as possible, the organizer welcomes submissions across various genres besides the standard free-themed color and monochrome photography, encouraging authors to further express their affinities and specialties. There are new themes at this year's salon: Red and Black, Bridge and Fog. This choice of topics seems well-received, as 478 authors from 48 countries with a total of 7,559 photos entered the competition. Having in mind that under the auspices of FIAP this year, close to 700 contests/salons will be held, these numbers look truly impressive. In addition to the new and unfailingly interesting topics, Zagreb Salon is one of the few world salons that, after the competition, organize an exhibition of awarded photos and the awards ceremony in one of the city's prominent cultural institutions. This year, the exhibition of the 41st Zagreb Salon will be held in the National and University Library in Zagreb. The exhibition is accompanied by a high-quality printed catalog of about a hundred pages, in which all the awarded photographs and overall statistics of the salon are presented.

We would like to express our gratitude to the jury for their effort and dedication, and congratulate the authors on receiving their well-deserved awards. We invite photographers all over the world to respond to the invitation to the next 42nd Zagreb salon in 2026!

Najuspješniji autor Salona / Best author of the Salon

MARCEL VAN BALKEN je nizozemski samouki fotograf s više od 40 godina iskustva u svijetu fotografije. Marcel van Balken poznat je po svojoj konceptualnoj fotografiji, što znači da stvara slike koje prenose ideju ili poruku, a ne jednostavno predstavljaju stvarnost.

Radovi su mu često apstraktni i ostavljaju prostor za interpretaciju, što ih čini zanimljivim za gledanje. Ima izrazit vizualni stil, voli se igrati svjetлом i sjenom, često stvarajući gotovo nadrealističnu atmosferu. Za Van Balkena, fotografija nadilazi puko bilježenje trenutaka; to je oblik umjetnosti u kojem on stvara vlastite slike i sam fotografira svaki subjekt s posebnom pažnjom na detalje. Ono što se ističe u njegovom radu je konceptualni pristup fotografiji. Fokusira se na specifične teme, uključujući arhitekturu, nadrealizam, uličnu fotografiju i likovnu umjetnost.

Tijekom svoje karijere, Marcel je prikupio impresivan niz priznanja, s više od 10.000 prihvaćanja i 1.500 međunarodnih nagrada za fotografiju. Njegova slava doseže cijeli svijet i uključuje prestižna natjecanja i salone kao što su Prix de la Photographie Paris, Siena International Photo Award i International Color Awards.

Stekao je titule MFIAP i EFIAP/d3, akreditirane od strane Međunarodne federacije fotografске umjetnosti (FIAP), te dobio nagradu Master of Photography (MPSA) od Fotografskog društva Amerike (PSA). Također je dobio priznanje nizozemskog fotografskog društva (BMK) za svoj iznimjan rad.

Marcel van Balken is a self-taught photographer from the Netherlands with more than 40 years of experience in the world of photography. Marcel van Balken is known for his conceptual photography, meaning he creates images that convey an idea or message rather than simply representing reality. His work is often abstract and leaves room for interpretation, making it interesting to look at. He has a distinct visual style, likes to play with light and shadow, often creating an almost surrealistic atmosphere.

For Van Balken, photography goes beyond simply capturing moments; it is a form of art in which he creates his own images and photographs each subject himself with attention to detail. What stands out in his work is the conceptual approach to photography. He focuses on specific themes, including architecture, surrealism, street photography and fine art.

During his career, Marcel has accumulated an impressive array of recognitions, with more than 10,000 acceptances and 1,500 international photography awards. His fame reaches worldwide and includes prestigious competitions and salons such as Prix de la Photographie Paris, Siena International Photo Award and International Color Awards.

He has earned the titles of MFIAP and EFIAP/d3, accredited by the International Federation of Photographic Art (FIAP), and received the award of Master of Photography (MPSA) from the Photographic Society of America (PSA). He has also been recognized by the Dutch Photographic Society (BMK) for his exceptional work.

Najuspješniji hrvatski autor / Best Croatian author

NEDA RAČKI

Fotografijom se aktivno bavim od 2007. godine, od kada uspješno sudjelujem na domaćim i međunarodnim natjecanjima i salonima. Za svoje fotografije osvojila sam oko 450 nagrada i 3 Grand Prix-a (Španjolska, Hrvatska), a tri puta sam proglašena najuspješnjom autoricom salona (Slovenija, Sjeverna Makedonija, Dominikanska Republika). Dobitnica sam najprestižnije hrvatske godišnje nagrade za fotografiju „Tošo Dabac“ za 2013. Uz osam samostalnih izložbi u Zagrebu i Rijeci, sudjelujem na brojnim skupnim izložbama u zemlji i inozemstvu. Nekoliko mojih fotografija nalazi se u Zbirci hrvatske fotografije Fotokluba Zagreb i Zbirci hrvatske fotografije Muzeja grada Rijeke. Žiriram na domaćim i stranim natjecanjima i salonima. Fotografije su mi objavljivane u časopisima i na naslovnicama knjiga. Godine 2024. dobila sam počasnu titulu EFIAP/d3 kao jedina fotografkinja s tom titулом u Hrvatskoj. Članica sam Fotokluba Zagreb od 2008. godine.

Gradsko sam dijete i grad je moje prirodno okruženje. Izlaskom na ulicu s fotoaparatom u ruci gledam život grada na drugačiji način, uzimam njegove trenutke koji u sekundi okidanja postaju iluzija, nestaju u stvarnosti i ostaju zabilježeni kao moje sjećanje. To su trenuci gradske intimne koje mi grad poklanja i čini se da su upravo meni i mojem fotoaparatu namijenjeni. Pripadam krugu fotografa koji vole u užurbanoj svakodnevici grada uhvatiti i konzervirati tišinu, mirnoću i harmoniju. Planine su moja druga velika ljubav. U planinama vidimo koliko smo mali i beznačajni ali ipak hrabri i ustajni. Kada negdje u daljinu ugledam čovjeka, onda imam centralnu točku koja mi određuje kadar i tada fotografija nije tek faktografska preslika prirode već priča o odnosu čovjeka i prirode.

Iako koristim digitalni fotoaparat, moje fotografsko promišljanje temelji se prvenstveno na klasičnoj crno-bijeloj fotografiji.

I have been actively involved in photography since 2007, since then I have successfully participated in domestic and international competitions and salons. For my photos, I won about 450 awards and 3 Grand Prix (Spain, Croatia), and three times I was declared the most successful author of the salon (Slovenia, Macedonia, Dominican Republic). I am the winner of the most prestigious Croatian annual photography award "Tošo Dabac" for 2013. In addition to eight solo exhibitions in Zagreb and Rijeka, I participate in numerous group exhibitions in the country and abroad. Several of my photos are in the Collection of Croatian Photography of the Photo Club Zagreb and the Collection of Croatian Photography of the Museum of the City of Rijeka. I judge at domestic and foreign competitions and salons. My photos were published in magazines and on book covers. In 2024, I received the honorary title EFIAP/d3 as the only photographer with that title in Croatia. I have been a member of Photo Club Zagreb since 2008.

I am a city child and the city is my natural environment. By going out into the street with a camera in my hand, I look at the life of the city in a different way, I take its moments that become an illusion in the second of the shutter release, disappear in reality and remain recorded as my memory. These are the moments of city intimacy that the city gives me and it seems that they are meant for me and my camera. I belong to the circle of photographers who like to capture and conserve silence, calmness and harmony in the busy everyday life of the city. Mountains are my second great love. In the mountains, we see how small and insignificant we are, but still brave and persistent. When I see a man somewhere in the distance, then I have that central point that determines the frame for me, and then the photograph is not just a factual copy of nature, but a story about the relationship between man and nature.

Although I use a digital camera, my photography is primarily based on classic black and white photography, and the main motifs are the city, man and mountains.
