40. ZAGREB SALON MEĐUNARODNA IZLOŽBA FOTOGRAFIJA (1910. - 2022.)

Pojavljivanje prvih fotografa u Zagrebu već u 19. stoljeću pokazuje da je Zagreb oduvijek pripadao srednjoeuropskom kulturnom krugu i da se fotografija u njemu pojavila prije nego u mnogim europskim, daleko većim gradovima.

Podsjetimo se Franje Pommera i njegovog albuma fotografija uglednih suvremenika (1856.), na Gospodarsku izložbu u Zagrebu (1864.) na kojoj izlažu fotografi iz Hrvatske, na objavljenu prvu domaću fotomonografiju Ivana Štandla *“Fotografične slike iz Hrvatske”* (1870.) ili na Međunarodnu izložbu umjetnina u Zagrebu (1891.) gdje se afirmira domaća amaterska fotografija. Sve je to neumitno vodilo do osnivanja prvog **Kluba fotografah amateurah** godine 1892., pod okriljem Društva umjetnosti.

Klub godine 1910. organizira prvu međunarodnu izložbu fotografije u Zagrebu. Izložba je održana u Umjetničkom paviljonu i bila je prvorazredni kulturni događaj u ovom dijelu Evrope. Tri godine kasnije, 1913., Klub organizira drugu međunarodnu izložbu fotografije, također u Umjetničkom paviljonu. Prvi svjetski rat, a nakon njega političke i društvene promjene koje su se desile u Europi imale su za posljedicu da se treća po redu međunarodna izložba u organizaciji sada Fotokluba Zagreb (promjena naziva kluba) održala tek 1935. godine. Sljedećih pet godina, do 1940., održano je pet međunarodnih izložbi fotografije u Umjetničkom paviljonu. Drugi svjetski rat za duže vrijeme prekida održavanje te izložbe sve do 1951., a od tada pa sve do današnjih dana Fotoklub Zagreb tradicionalno organizira međunarodnu izložbu fotografije koja od godine **1962. dobiva i svoj naziv “Zagreb salon“**. Kontinuitet održavanja ove izložbe, poslije Drugog svjetskog rata, nastavlja se uz neke manje prekide (kao rezultat samo financijskih problema) sve do danas u uvijek atraktivnim izložbenim prostorima: Zagrebački velesajam, Muzej narodnog oslobođenja, Muzej za umjetnost i obrt, Muzejski galerijski prostor Gradec, Galerija Krištofor Stanković u Staroj gradskoj vijećnici, Dom HDLU, Muzej Mimara i na koncu u Nacionalnoj i sveučilišnoj knjižnici.

Obzirom na visoku razinu i ugled Salona svoje pokroviteljstvo mu dodjeljuju Predsjednik Republike Hrvatske, Ministarstvo kulture RH, Grad Zagreb i Hrvatski fotosavez te međunarodna udruženja fotografa FIAP i PSA.

Svaka je izložba popraćena reprezentativnim katalogom s nagrađenim fotografijama i statistikom salona, a svečano otvorenje i dodjelu nagrada prate tiskani i elektronički mediji i TV.

Uvijek u službi širenja fotografske kulture, tehnike i umjetnosti, s ponosom ističemo, da je Zagreb salon jedina međunarodna izložba fotografije u ovom dijelu jugoistočne Evrope, koja ima svoju tradiciju i neprekinuto trajanje u vremenu više od jednog stoljeća.

40th ZAGREB SALON INTERNATIONAL EXHIBITION OF PHOTOGRAPHY (1910 - 2022)

The first photographers appeared in Zagreb already in the 19th century, thus confirming that this city has always belonged to middle-European culture and that photography was known here before than in many bigger European cities.

We can remember Franjo Pommer and his album of photos of prominent contemporaries (1856), as well as the Exhibition of economic achievements held in Zagreb in 1864 with participating Croatian photographers. The first Photomontage by Ivan Štandl with the title "Photographic pictures of Croatia" was published in 1870, and the International arts exhibition held in Zagreb in 1891 where local amateur photographers' works were exhibited. All these facts led to the founding of the first **Club of photo amateurs** under the auspices of the Art Society in Zagreb.

The Club organised the first International Exhibition of photography in Zagreb which was held in the Art Pavilion and was a prominent cultural event in this part of Europe. Three years later, in 1913, the Club organised the second International Exhibition of photography, which also took place in the Art Pavilion. The first World War and its political and social consequences in Europe resulted in the fact that the Third International exhibition was held with the organiser "Fotoklub Zagreb" in 1935. For the next five years there were five International exhibitions organised in the Art Pavilion. The second World War interrupted the maintenance of these exhibitions until 1951, but from then on Fotoklub Zagreb organised these exhibitions regularly and they are named **Zagreb Salon** since **1962**. There were a few pauses due to financial problems, but the exhibitions always took place in prominent and attractive spaces as The Zagreb Fair, Museum of National liberation, The Museum of Arts and Crafts, The Museum and Gallery Gradec, Gallery Kristofor Stanković in the Old Town Hall, The Home of Croatian Association of Fine Artists, Mimara Museum, National and University Library.

Thanks to the reputation and high standards of the Zagreb Salon exhibitions, they are sponsored by the President of the Republic of Croatia, Ministry of Culture, the City of Zagreb, the Croatian Photographic Society and under the auspices of FIAP and PSA.

Each exhibition published and printed a catalogue with all the winning photographs, and the ceremonial opening of the exhibition and prizes to winners is recorded for tv and newspapers.

Always in the service of spreading photographic culture, technique and art, we are proud to point out that The Zagreb Salon is the only international exhibition of photography in this part of Southeast Europe, which has its own tradition and uninterrupted duration over a period of more than a century.

ZOLTAN BISAK

Rođen je 11. lipnja 1981. godine u Pančevu. Srednju elektrotehničku školu završava u Pančevu, a Tehnički fakultet strojarstva u Zrenjaninu. Trenutno radi kao nastavnik obrta, tehničkog crtanja i nacrtne geometrije u Pančevu.

Kreativnom fotografijom, ali i fotografijom općenito, bavi se od 2007. godine. Sudjelovao je na više od 350 skupnih izložbi te osvojio preko 100 nagrada i priznanja u zemlji i u inozemstvu. Jedan je od dvojice osnivača Foto grupe "Dunavac" iz Ivanova na čijem je čelu nekoliko posljednjih godina. Uz svoje aktivnosti vezane uz izložbe, najviše vremena posvećenog fotografiji provodi baveći se djecom u dobi od 10 do 17 godina (foto sekcije osnovne škole u Ivanovu i Pančevu i foto grupa „Dunavac“).

Nositelj je titule FI FSS, a u godinama 2014., 2015. i 2018. bio je među 10 najuspješnijih autora u Srbiji. Član je Upravnog odbora Foto saveza Srbije (FSS) gdje je zadužen za rad s mladima.

Na fotografijama su najčešće prikazani ljudi snimljeni u njihovim životnim sredinama predstavljajući nam tako njihov način života i njihova zanimanja. Bez obzira na tematiku, njegove fotografije nisu samo dokumentarne prirode, već i kreativne pa čak i umjetničke, koje nose osobni pečat i bilježe trenutke koji nestaju. Tako svojim fotografijama ostavlja neizbrisiv trag prolaznosti u nadi da će to činiti još mnogo godina.

ZOLTAN BISAK was born on 11th of June in 1981 in Pančevo. He finished the Secondary school of electrical engineering in Pančevo and Technical faculty of engineering in Zrenjanin afterwards. He currently works as a teacher of craft, draughtsman ship and descriptive geometry in Pančevo.

He has been engaged in creative photography, but also in photography in general, since 2007. He took part in more than 350 collective exhibitions where he was awarded more than 100 prizes and acknowledgements in the country as well as abroad. He is one of the two founders of the Photo group "Dunavac" from Ivanovo and he has been the head of the group for the last several years. Alongside his activities related to exhibitions, most of his time devoted to photography is spent engaging children (from elementary schools in Pančevo and Ivanovo and the photo group "Dunavac") aged 10-17 in photo sections. He is a bearer of the FI FSS title in 2014, 2015 and 2018 was on the list of the 10 most successful authors in Serbia. He is a member of the board of directors of the Photo Association of Serbia (FSS), where he is in charge of working with young people.

In his photographs, people are most often represented in their surroundings, showing their way of life and their occupations. However, regardless of the subject matter, his photographs are not purely documentary in nature, but also creative (some would say artistic) that bear a personal stamp and record moments that disappear. He leaves an indelible mark of transience with his photographs and hopes to continue doing so for many years to come.

DARIJA NONVEILLER ŠESTO

Darija Nonveiller Šesto, po zanimanju doktorica medicine, rođena je 1948. u Zagrebu. Članica je Fotokluba Zagreb od 2010. od kada se intenzivnije počinje baviti fotografijom.

U početku izlaže na skupnim i natječajnim izložbama u klubu i Hrvatskoj, a ohrabrena prvim uspjesima, započinje sa sudjelovanjem na međunarodnim natječajima i salonima diljem svijeta. Radovi su joj prihvaćeni na više od 200 natječaja na kojima je osvojila preko 30 nagrada te sudjelovala na stotinjak skupnih izložbi. Najviše je ponosna na na 13 samostalnih izložbi u Londonu, Uppsali, Zagrebu, Šibeniku, Splitu i Samoboru. Nositeljica je počasnog zvanja AFIAP.

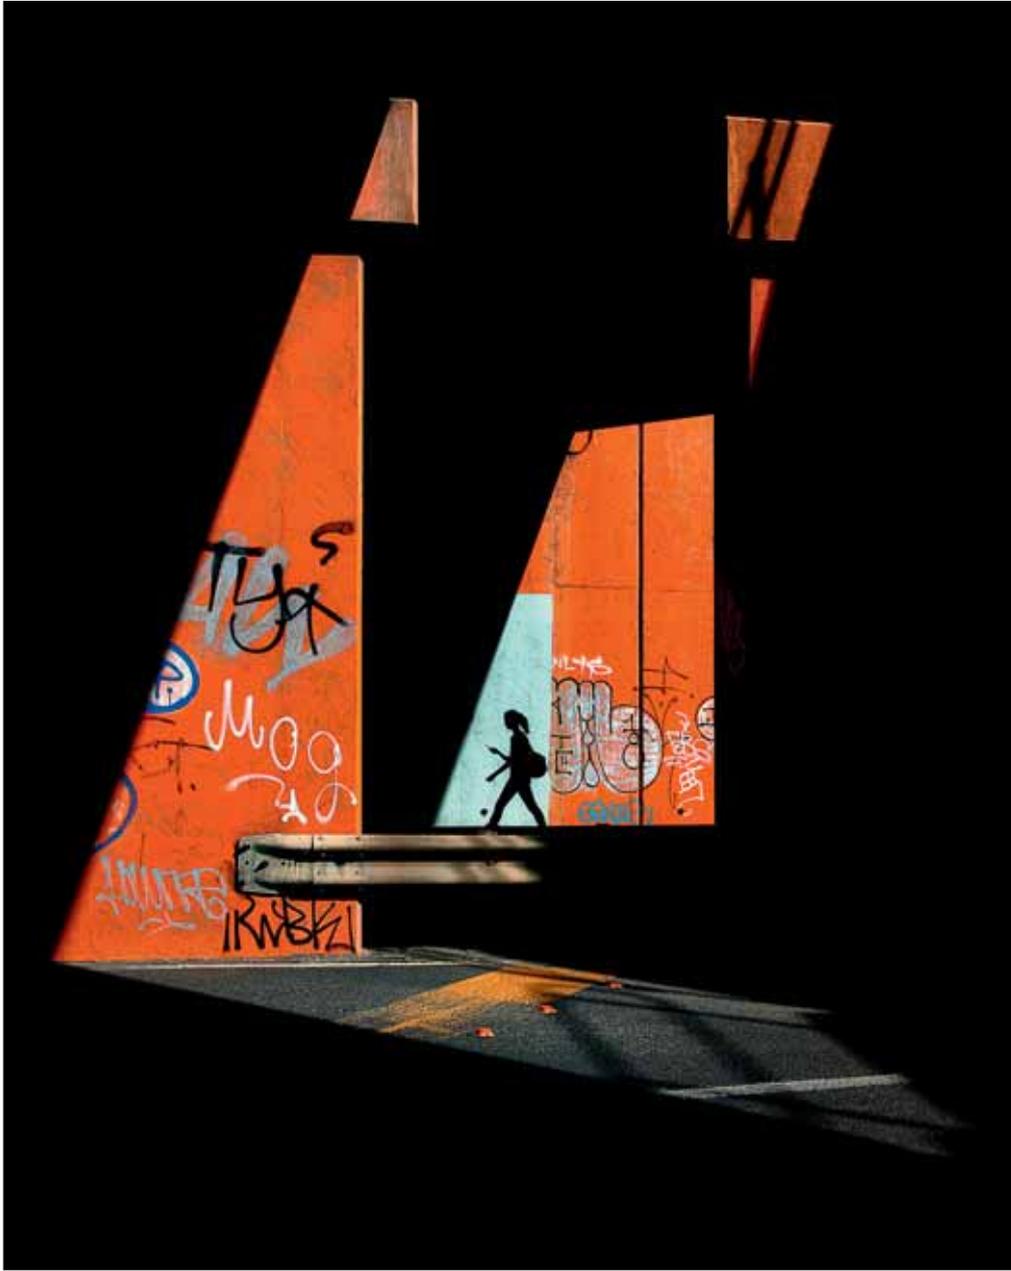

U početku su motivi bili različiti, no s vremenom pokazuje najveći interes za apstrakciju, portret, akt i makro fotografiju. Voli eksperimentirati s novim tehnikama i tehnologijama, poput IR i UV fotografije, a inspiraciju nalazi najčešće u prirodi. Iako je prošla školu fotografije Fotonaut i brojne tečajeve fotografije i dalje se usavršava jer joj je fotografija postala profesija i strast.

Darija Nonveiller Šesto, doctor of medicine by profession, was born in 1948 in Zagreb. She has been a member of the Photo Club Zagreb since 2010, when she began to engage in photography more intensively. In the beginning, she exhibited at collective and competitive exhibitions in the club and in Croatia, and encouraged by her first successes, she began participating in international competitions and salons around the world. Her works were accepted at more than 200 competitions where she won over 30 awards and participated in about a hundred group exhibitions. She is most proud of her 13 solo exhibitions in London, Uppsala, Zagreb, Šibenik, Split and Samobor. She holds the honorary title of AFIAP.

In the beginning, the motives were different, but over time she showed the greatest interest in abstraction, portrait, nude and macro photography. She likes to experiment with new techniques and technologies, such as IR and UV photography, and finds inspiration most often in nature. Although she passed the Fotonaut school of photography and numerous photography courses, she continues to improve her skills because photography has become her profession and passion.
